Dear Allister

We would very much like to participate in a discussion but we do not yet have a copy of the report by the Task Group and secondly, two days in which to read and absorb all the implications of the report seems rather short.

Viljoen after all, is familiar with every nook and cranny of the report.

I suggest you phone Willie Currie at 402-4570 and see what can be arranged.

Sincerely

JOYCE OZYNSKI (Secretary)
