Dear Mr. Toboti

Re Appointment of New SABC Board

As you are aware campaign for Independent Broadcasting (CIB) has been recently involved in various negotiations with the Ministry of Home Affairs concerning an alternative process for appointing a new SABC Board. As your organisation had shown considerable interest in the campaign we would very much like to be able to give you a briefing on the latest developments. We would like to suggest Monday 25 January 1993 at 17h00 at your office. We have been trying to get hold of you telephonically but there appears to be something wrong with the phones. Please would you confirm this appointment with us at your earliest convenience.

yours sincerely,

Jeanette Minnie.
