Dear Mr. Montgomery,

Re Campaign For Independent Broadcasting.

As you are no doubt aware we are a coalition of various organisations who have come together to campaign around certain issues pertaining to broadcasting, including the appointment of a new SABC Board and the establishment of a independent regulatory authority for broadcasting. (See attached declaration). As your organisation is obviously involved with broadcasting we would welcome an opportunity to brief your members on our campaign and to have an exchange of ideas. If you are interested you can contact me at 29-4355/6287(tel) and 29-4354(fax).

Looking forward to hearing from you,

Ms. Barbara Hogan.
