Dear Friends,

We would like to send apologies to the COM meeting as we have a National Executive Committee meeting from 8 - 10 June 1990.

It is unfortunate that the meeting for 1 June had to be postponed, as we had set aside time to attend. The ADJ believes it is important for us to actively participate in COM, so we would like the meeting to note our dissatisfaction with the late postponement of last week's meeting.

We are unclear what will be on the agenda of the meeting, but would like you to note our support for the suggestion of a conference on the role of a post-apartheid media.

We hope that we will receive minutes of the meeting in the near future, so we can be informed of discussions and decisions taken by COM. If we are informed timeously of the next meeting, we will ensure we attend.

Yours sincerely
