LAWS AFFECTING THE MEDIA

Dear Director

Your undated, unsigned, unheaded letter addressed to the Chairman of the Media Council reached us on 3 September 1990.

The memorandum attached to that letter is dated July 6, 1990. However, the postmark on the envelope shows that the letter was only posted on 30 August 1990.

The letter and memorandum were therefore received too late to be considered at our recent council meeting which took place on the same day that your letter reached our office (3 September 1990).

It will be considered at the next appropriate meeting of either the full council or the council's executive.

Neither your letter nor the attached document contains an address for replies or a telephone number.

We have spent a lot of time and taken a lot of trouble to try to find an address for you by consulting various people because none of the documents in our 'COM' file contains an address or telephone number. So I hope this letter reaches you.

Yours sincerely,

CONCILIATOR/REGISTRAR
